

Celebrate your child's future.

Celebrate savings.

Your child is about to finish another school year—one of the most challenging for many students.

With their future in mind, my529 is celebrating 529 Day by offering a boost for their educational dreams.

Join the celebration of both occasions during May by opening a new account. You may be eligible to receive a **\$40 match** for new beneficiaries.

Receive a \$40 match

To receive a **\$25 matching contribution** from my529, the account owner must open an account for a beneficiary who is new to my529, and contribute \$25 or more to the new account to be eligible for the match. Use code **529DAY2021** during setup. my529 will match the \$25 contribution on or about June 7, 2021. Account owners need to be Utah residents. The beneficiary does not need to be a Utah resident. Offer good while promotional funds are available.

To receive **an additional \$15** from my529—for a **total amount of \$40** with the initial \$25 match—the account owner can set up an automatic monthly recurring contribution on the new account. The recurring contribution must take place uninterrupted for six consecutive months to be eligible. my529 will contribute \$15 to those accounts on or around December 31, 2021, as long as promotional funds are available.

Get started at my529.org or by submitting an Individual Account Agreement.

Important Legal Notice

Investing is an important decision. Read the Program Description in its entirety for more information and consider all investment objectives, risks, charges, and expenses before investing. For a copy of the Program Description, call 800.418.2551 or visit my529.org. Investments in my529 are not insured or guaranteed by my529, the Utah Board of Higher Education, the Utah Higher Education Assistance Authority Board of Directors or any other state or federal agency. Your investment could lose value. However, Federal Deposit Insurance Corporation (FDIC) insurance is provided for the FDIC-insured accounts. Please read the Program Description to learn about the FDIC-insured accounts. The state in which you or your beneficiary pays taxes or lives may offer a 529 plan that provides state tax or other benefits, such as financial aid, scholarship funds, and protection from creditors, not otherwise available to you by investing in my529. You should consider such benefits, if any, before investing in my529. my529 does not provide legal, financial, investment, or tax advice, and the information provided in this document does not contain legal, financial, investment, or tax advice and cannot be construed as such or relied upon for those purposes. You should consult your own tax or legal advisor to determine the effect of federal and state tax laws on your particular situation.
