## **Application for Penetration of Wall or Ceiling Permit**

No penetration of a wall or ceiling shall occur on any property maintained or operated by Salt Lake Community College without obtaining a Penetration of Wall or Ceiling Permit. Complete this application and return to the office of Facilities Planning & Construction at the address above no later than <u>5 working days prior</u> to the planned penetration date. Upon receipt of this application, Facilities Planning & Construction will evaluate the request and prepare a Penetration of Wall or Ceiling Permit. The Penetration of Wall or Ceiling Permit must be picked-up and signed by the applicant <u>on or before</u> the day that penetration is to begin. No penetration shall take place until the applicant has obtained a valid Penetration of Wall or Ceiling Permit. Contractor fines for non-compliance with program or rejection of installed work due to deficiencies: \$250 first offense, \$500 second and third offenses, \$1000 and possible termination of contract fourth or more offenses.
