

**Degree Advancement Form**  
(Effective January 2007 for Staff)

As an education institution, Salt Lake Community College recognizes the value of college degrees and encourages its employees to seek them.

A salary adjustment of 2% of base salary will be allowed in cases where the following process has been demonstrated:

- Supervisor is notified of employees entrance of a course of study and intends to apply for base salary increase
- The earned degree is an appropriately related degree to the position in which the employee holds
- The earned degree is from an accredited college or university
- The earned degree is related and above the minimum requirements of the position.

**Consultation with your supervisor prior to achieving the degree is required.**
