# Application for Driving on Campus Sidewalks

Unless sidewalks are closed to pedestrian traffic and marked as construction zones, contractors or other entities must have a sidewalk permit to traverse campus sidewalks in motor vehicles. Outside contractors will consult with the project manager to determine if sidewalk access is required.

## Applicant Information

<i>Individuals/Business Name:</i>	<i>SLCC Department:</i>
<i>Telephone Number:</i>	<i>SLCC Office Location:</i>

## Project Details

<i>Date Access is Needed:</i>	<i>Location:</i>
-------------------------------	------------------

*Reason for Access:*

## Acknowledgements

I understand that by signing this form that I agree to the following guidelines:

- Vehicles cannot block fire lanes or park on the grass or turf. They must remain on hard surfaces.
- Speed limit on sidewalks is 5 MPH.
- Any fines incurred from violations to the sidewalk policy will be the responsibility of the driver or owner of the vehicle.

<i>Signature</i>	<i>Date:</i>
------------------	--------------
