INTRODUCTION TO HIRING AT SALT LAKE COMMUNITY COLLEGE (SLCC)

This resource guide should be used by all hiring supervisors and committees involved in filling vacancies at the College. The hiring process outlined in this document applies to full-time and part-time staff and refers to specific forms and authorizations that must be received in order to advertise, interview, and hire a new staff member.

SLCC affirms its continued commitment to a policy of Equal Employment Opportunity and Affirmative Action in all of its hiring practices. Experience has shown that the development and implementation of an Equal Employment Opportunity/Affirmative Action (EEO/AA) hiring process contributes to an expansive search that increases the quality of candidates for vacancies, and hence, the excellence of the College’s faculty and staff. The College recognizes that it must develop and implement specific hiring practices and procedures to assure equal employment opportunity and establish an effective affirmative action program. The College’s overall affirmative action commitments, programs, and policies are contained in a separate document titled “Affirmative Action Program.” SLCC provides individuals with disabilities reasonable accommodations to participate in College activities, programs and services. Individuals with disabilities requiring an accommodation to participate in the hiring process should make a request to the Benefits Office in Human Resources Department. SLCC is an EEO/AA employer and is strongly and actively committed to increasing diversity and providing equal opportunity within its community. SLCC does not discriminate against persons based on age, color, disability, gender, marital status, national origin, race, religion, sexual orientation, or veteran status.

Questions regarding the College’s staff hiring process, recruitment programs, or required forms and authorization for the filling of staff vacancies, should be directed to the Human Resources Office, 957-4210.

LAWS

Equal Employment Opportunity

Title VII of the Civil Rights Act of 1964

Title VII as amended and expanded by the Equal Employment Opportunity Act of 1972 and the Civil Rights Act of 1991, prohibits employers, unions and employment agencies from discriminating in employment on the basis of race, color, religion, national origin and gender. Title VII also prohibits discrimination because of pregnancy, childbirth or related conditions. Employers are prohibited from discriminating in hiring, firing, compensation or any terms, conditions or privileges of employment; nor can they limit, segregate or classify employees or applicants by race, color, religion, gender, pregnancy or national origin in any way that would adversely affect their employment status. Apprenticeship and training programs are also covered by this Act.

Age Discrimination in Employment Act of 1967 (ADEA)
The ADEA prohibits discrimination on the basis of age for people 40 years of age or older. Unless age relates to successful performance of the job, it is unlawful to ask the applicant to provide information about age. An applicant can be asked whether they are over the age of 18 for the purpose of determining whether he or she is old enough to be lawfully hired.

The Immigration Reform and Control Act of 1986 (IRCA)

The IRCA as amended by the Immigration Act of 1990, prohibits discrimination in employment on the basis of national origin and citizenship status. Under IRCA’s record-keeping requirements, all employers must examine documentation from all new employees to verify their citizenship status or right to work in the United States. Employers must use an I-9 form to verify an employee’s identity and employment authorization. New employees must complete the I-9 within three business days of commencing work.

Rehabilitation Act of 1973

The Rehabilitation Act requires institutions that receive federal funds to take affirmative action to employ and advance in employment qualified individuals with disabilities.

The Americans with Disabilities Act of 1990 (ADA)

The ADA prohibits discrimination in employment against “qualified individuals with disabilities.” The ADA also prohibits employment discrimination against qualified individuals who are perceived to have a disability, or because of an association with an individual who has a disability. Employers are required to provide reasonable accommodations to qualified applicants or employees with disabilities unless the accommodation causes an undue hardship.

Utah Veterans’ Preference Act (1993)

The Act requires that each state entity give preference to each eligible veteran applicant that meets our minimum qualifications. Each eligible veteran will received an additional 5% of the total possible points and disabled veterans will receive an additional 10% of the total possible points. To be eligible, a person claiming veterans’ preference will be required to submit a DD-214 form. This form may be obtained from the veterans’ branch of the Military Agency for which they rendered service.

Executive Order 11246

Executive Order 11246 requires that all federal contractors take affirmative action to recruit, hire, and promote minorities and women. The order also prohibits institutions from discriminating in employment on the basis of race, gender, religion, color, or national origin. While the College is not a federal contractor, the College follows many of the programs designed to promote minorities and women.
Utilization Analysis under Executive Order 11246

The utilization analysis is a key document required of the College and monitored by the Office of Federal Contract Compliance Programs. It identifies comparative data for minorities and/or women between the SLCC workforce and published statistics. If the workforce data equals, or is greater than the availability data, the job category is utilized. If the availability data exceeds the workforce data, then goals will be produced and monitored. For more information see the College’s Affirmative Action Program publication.

PHILOSOPHY OF AFFIRMATIVE ACTION IN COLLEGE HIRING

As an Affirmative Action institution, SLCC is committed to Affirmative Action in recruiting, hiring, and retaining minorities and women. In practice, the College will monitor a hiring department’s search activities to assure that a “good faith effort” is made to identify, recruit, and hire minorities and women.

The most frequently asked question regarding affirmative action is how a particular candidate’s ability to satisfy a goal should weigh in the overall evaluation of the “best” candidate for the vacancy. The College’s position is that all candidates who meet the pre-established minimum qualifications for a job vacancy are qualified. Beyond this, a candidate’s qualifications are meaningful only in relation to the specific needs of the department and overall goals of the College. The criteria for selection should include the ability of a candidate to contribute to the College, in this context, the “best” candidate cannot be defined independently, but through the department’s need, work of the search committee, and selection by the hiring supervisor.
Hiring Goals

A hiring goal is an objective to promote inclusion in the workforce of individuals previously excluded or under-represented. The College is committed to achieving hiring goals through specific actions to meet the stated compliance. When a hiring goal exists, strategies must be developed and implemented to recruit and hire a qualified woman or minority. One of the most frequently asked questions is what distinguishes a hiring goal from a hiring quota. Hiring goals are established for the hiring year to allow planning and flexibility in meeting goals. Quotas are only imposed by the court where noncompliance is evident and to address a pattern of discriminatory hiring as a result of an agency review.

Good Faith Effort

The term, “good faith effort” when used in relation to compliance with the goals and objectives of an affirmative action program, refers to the efforts exerted by the department to meet a hiring goal. Good faith effort is used to describe an honest effort and purpose to carry out the necessary actions to meet the College’s obligation to fill an affirmative action hiring goal. If a hiring department or committee is filling a vacancy with a hiring goal and there is an availability of qualified women or minorities, then their efforts to identify and recruit qualified candidates for the vacancy should be demonstrated by the recruitment activities and the composition of their applicant pool. If a hiring department makes a “good faith effort” to recruit qualified women and minorities but fails to meet an identified affirmative action goal, then the search may be considered to be in compliance with the College’s hiring practices.
Human Resources Contacts

This manual is a resource for hiring full-time and part-time staff. It is designed to guide you through the process and steps from beginning to end. It is also designed to assure compliance with applicable laws, regulations, and SLCC goals, policies, and procedures.

The selection and employment process must be consistent for each applicant and provide the opportunity for the applicants to define why they are the best applicants for the position. We want to ensure a quality process for the hiring of well-qualified staff who are committed to our students.

Human Resources is available to assist you in the employment process. We are committed to providing you the tools and services that you need to be effective. If we can assist you in any way, please contact Human Resources at extension 4210.

FULL-TIME STAFF HIRING GUIDELINES

THE HIRING PROCESS

Establishing/Updating the Position Description

If a new, previously unevaluated position is being considered, a position description must be written, evaluated and approved before the hiring process begins. This is completed on the Position, Applicant, Requisition System (PARS). Tips and templates of position descriptions can be found on the Human Resources - Compensation site.

Job Evaluation

Job evaluation is used to identify, analyze and measure each job against set criteria and weighs the relative value of jobs in a uniform and consistent manner. The Human Resources Office, or the supervisor requests evaluations of positions. Contact HR early for recommendations to the supervisors to improve the position description or make it more consistent. Evaluations will be performed on all new jobs, jobs that haven’t been previously evaluated, when an existing job has changed 15-20 percent or when the job hasn’t been recently evaluated.

1. The supervisor is responsible to assign duties and writes the position description (it is suggested that employees have input to the position description, but is not required.) Supervisor sends the position description through PARS. The supervisor sends the names of the search committee (3-7 members), advertising sources, the index to charge for advertising, the screening criteria, and the number of days the posting is to appear on the job site to their HR Coordinator via email.

Tradeoffs are permitted for Non-Exempt and Exempt positions. Tradeoffs must be specified in the job description submitted in PARS.

Exempt: Work experience/education on a 1:1 basis

Non-Exempt: Work experience/education on a 2:1 basis

The supervisor (with necessary approvals) can determine if the position will be posted internal only, meaning only current SLCC employee applications will be considered. If the position is posted external, employees and candidates not employed at the College will be considered, current employees are also able to apply.

2. Second level supervisor through the Vice President: reviews the position description and approves all job duties, responsibilities and department organizations and approve it through PARS. If any approval levels do not agree with the description’s content, it is returned to the supervisor.

3. The position description evaluation is then sent to the Budget Office to ensure the funds are available. HR will conduct an evaluation on the position, if needed.
4. After evaluation, the Budget Office finalizes the funding, and sends to HR for final approval. The department is responsible for funding the position.

5. The evaluation consists of the job description using a point evaluation system consisting of three general categories.
   1. Know-How
   2. Problem Solving
   3. Accountability

6. After final approval, Human Resources will prepare to post the position on http://jobs.slcc.edu based on the position description.

**Posting the Position**

The requisition form is part of the position description, so a separate form is not necessary. Human Resources will work with each hiring supervisor to specify length of posting, advertising, and other specific processes during the hiring process.

**Recruiting and Posting Requirements**

Responsibility for recruiting is shared with the hiring department, the search committee, and the Human Resources Department.

1. Advertising is required for staff positions. Indicate publication(s) desired and dates the ad is to run. (See chart below for required advertising.) For specific professional and trade journals, include information as to publication dates, phone number of advertising department, etc. The HR Coordinator can assist the supervisor in selecting additional websites and publications (including diversity websites) in which to place the ads. Advertising in the newspaper is optional and at the discretion of the hiring manager.

2. All ads (including part-time) are approved by the Human Resources Department prior to placing the ad. Human Resources will assist in writing the ad, at the request of the department, with the supervisor’s final approval. Departments provide an index to Human Resources for billing purposes.

4. Members of the search committee are encouraged to contact colleagues and others who may be interested in the position. They may also send position announcements to other possible interested individuals or organizations.

Search Committee Instructions for Full-time Positions

The hiring supervisor/committee chair will organize a meeting for all committee members. Human Resources is available to provide instructions and discuss the process and to meet with a committee as requested. If a member of the committee is not available to continue to serve on the committee, contact the HR Coordinator overseeing the search.

It is the policy of the College to hire women and minorities to fill College AA goals. All committee members will attend all committee meetings and help ensure that all applicants are treated consistently and fairly and will encourage committee members to avoid all types of discrimination.

The chair is responsible for scheduling and conducting meetings of the committee. The screening of each applicant by the Search Committee consists of three parts:

1) Minimum screening based on the minimum requirements defined in the job posting
2) An evaluation of the written application materials submitted by each applicant as they pertain to the criteria established by the on-line job announcement.
3) Interview those selected applicants to evaluate those qualities which cannot be measured by the written documentation.

The Chair is responsible to see that all materials submitted by the applicants are safeguarded against loss and/or improper disclosure. Materials should not be shared with anyone outside of the committee. All committee members will each have access to applications electronically through PARS.

The Committee schedules meeting times in advance to avoid scheduling conflicts and ensures that the screening process is done in a timely manner.

Review of Applications

Minimum Screening:

The recommended time of completion for the search process is 30 calendar days. The chair and one other person on the committee will independently screen all applications for minimum requirements. Where there is a disagreement on whether an applicant meets minimums, HR...
advocates to include applicants who are questionable. The content comes from the posting and is the education minimum requirement and years of experience requirement.

Example:

Applicant’s Name:

<table>
<thead>
<tr>
<th>Bachelor’s Degree</th>
<th>Yes or No</th>
</tr>
</thead>
<tbody>
<tr>
<td>2 years experience</td>
<td>Yes or No</td>
</tr>
</tbody>
</table>

This can be completed on a spreadsheet or individual sheets for paper. Both screeners sign the document(s). You can email your HR Coordinator to receive an electronic version of the template.

**Screening Criteria:**

HR approves the Screening Criteria document in advance. All criteria used are found in the posting in PARS. The committee independently scores applicants meeting minimum requirements. Once all committee members have their scores, the committee will meet together and review scores for any discrepancies. All committee members do the scoring and participate in the review.

Hiring Handbook for Staff Employees

Application Material:
Each applicant is rated on the information available in the application materials submitted. This includes the application, resume, cover letter, transcripts, and other attached documentation. The presence or lack of required application documentation must not be used as a point factor in rating the applicant.

Experience:
Required experience is normally considered to be full-time equivalent and paid. The committee considers part-time employment and calculates accordingly if specified as a trade off in the Minimum Requirements. Each committee decides what is considered “relevant” or “related” education/experience for the position.

REMEMBER: All names, information, rankings etc. are confidential!!! Do not discuss with anyone outside the Committee.

Veteran’s Preference
Salt Lake Community College complies with the State of Utah Veteran’s Preference Act. The Act requires that we give preference to each eligible veteran (or eligible spouse of a veteran) applicant that meets our minimum qualifications. The College accomplishes this by:

1. The committee is notified by the answer on the application for each candidate regarding Veteran’s Preference. The DD-214 must be attached in the documents.

2. The committee adds 5% of the total possible points to the score of each eligible veteran at the paper screening and interview stages of the hiring process.

3. The committee adds 10% of the total possible points to the score of each eligible disabled veteran (indicated on the DD-214) at the paper screening and interview stages of the hiring process.

Example:

I. Total Possible Points:

a. There are eight questions with five points possible per question. (8 x 5 = 40) 40
b. There are five committee members. x 5
   200

   Total Possible Points: 200

II. Veteran’s Preference Points:

a. Veteran will receive an additional 5% of possible points. 200
   x .05
   10

   Veteran’s Preference Points: 10
Disabled veteran will receive 10% of possible points.  

\[
200 \times 0.10 = 20
\]

a. The additional 20 points will be added to the total score. (200 x 10% = 20)

**REMEMBER:** The preference points are calculated on the total points possible from all committee members. The additional points are to be added to the veteran’s total points before any averaging or ranking is done. If there are questions regarding this process or eligibility, contact HR.

**Interview:**

The committee will send the Interview Questions to HR for review and approval at least 2-3 days (or earlier) prior to the scheduled interviews. The committee will interview the highest ranked applicants from the Criteria Screening, typically more than three. The scoring points available on the interview are typically 0-5 or 0-10.

Committee members will ask the candidate the approved interview questions to the candidate. Typically, the questions are not provided to candidates ahead of time or during the interview to ensure a fair and equitable search process.

If the hiring supervisor is not on the hiring committee, the committee will forward the highest ranked applicants (a minimum of three) to the hiring supervisor in alphabetical order. With approval of the hiring supervisor and HR, the committee may forward less than three names based upon the strength of the pool.

The hiring supervisor conducts a final interview and selects the final candidate to hire.

With Cabinet member approval, finalists may be asked to further interview with appropriate constituents groups. HR will place the approval in the search file for the position.

If an applicant requests an accommodation, please contact the Benefits office in the HR Department. If an accommodation is necessary, the committee chair and the HR Coordinator will be notified. Committee work may be delayed depending on the time of the request. **Do not deny an accommodation request without sending the applicant to the Benefits Office in HR first.**

Supervisors are encouraged to hire women and/or minority applicant(s) from among the group of qualified applicants as appropriate. The hiring supervisor shall keep in mind the goals of the College, to correct underutilization of minorities and/or women in the College workforce. The purpose is to help departments and the College meet their affirmative action goals.

The committee chair will forward the results of the minimum requirements, screening criteria and interview question sheets to Human Resources.

**Excel Template (recommended):**

**Interview Questions**
Selection and Job Offer Process

Selection and Job Offer
For staff and administrative positions, after receiving input from the committee, the hiring supervisor will make the final hiring selection.

Before a job offer is made, the following must be completed:
1. If the selected applicant has a relative currently employed, full or part-time, at the College, approval must be obtained from the appropriate Cabinet member before the background check will be entered or an offer can be extended. For details, see the Employment of Relatives Form.

2. Credentials, screening criteria, interview ratings, and the completed Applicant Summary Chart must be submitted to the HR Coordinator.

3. A Recommended starting salary form is completed by the hiring supervisor and the HR
Coordinator. **Staff Salary Recommendation Form & Salary Schedule**

4. A background check form will be submitted to Human Resources for processing. **Criminal Background Check Authorization Form**. If the selected candidate has a conviction, it must be reviewed with Human Resources for discussion.

5. A contingent offer letter is provided by HR to the hiring supervisor through email in order to make the offer. Please notify HR, as soon as possible, if the candidate accepts the offer.

6. Official college transcripts are to be submitted to HR within 30 days of the new hire starting date.

**New Hire Paperwork**

The HR Coordinator will contact the hiring manager with details on if the new hire paperwork will be completed through the EPAF process or with a paper New Hire PAF and what other items (if any) are needed. Onboarding will be in contact to coordinate the completion of the I-9 form in the HR office.
New Employee Orientation

The new employee will report for work as determined by the HR Coordinator and the Supervisor, on the first or the sixteenth of the month. Human Resources has Electronic Onboarding where most of the new employee paperwork is completed, you will be contacted by HR/Onboarding with details on what needed per new hire. Onboarding will be in contact to coordinate the completion of the I-9 form in the HR office. The I-9 form must be complete within three (3) working days of the first day of employment.

The new employee completes the Online Orientation, along with the New Employee Training presented by OIT. The supervisor also provides the new employee with the Required Training schedule.

Supervisors are required to send full-time staff to Bruin Beginnings immediately after hire. Please see the Bruin Beginnings site for the upcoming schedule. Staff Development will be in contact to coordinate the new hire’s attendance.

The HR Benefits team will assist the new employee in selecting and enrolling in the College’s insurance and retirement programs. Benefits (Health insurance) will become effective on the first or sixteenth of the month regardless of the hire date. A member of the HR Benefits team will be in contact with the new full time hire to attend the Benefits Orientation.

PART-TIME STAFF HIRING GUIDELINES

Part-time Staff Hiring Process

Once funding is obtained by the hiring supervisor for a part-time position, the hiring supervisor decides the title and the associated wage based on what would best suit the needs of the department. A list of current part-time titles and hourly rates can be found online on the Hourly & Instructional Rate Schedule.

Requisition Forms

It is the responsibility of the hiring supervisor to acquire all necessary approvals and to ensure budget is available prior to initiating the requisition process for approval and posting of the position. Once approval is obtained, complete the online Personnel Requisition (found at http://jobs.slcc.edu/hr (PARS)). This form also outlines advertising information and search committee information if applicable.

Position Announcement

The position announcement is part of the requisition. It outlines position responsibilities and minimum education, work experience, skills and abilities required. This information is obtained from the part-time staff title, description and hourly rate list, the position announcement should also included specific department needs/requirements. Help is available as needed from Human Resources.
Human Resources Contacts

Human Resources is available to assist you in the employment process. We are committed to providing you the tools and services that you need to be effective. If we can assist you in any way, please contact Human Resources at extension 4210.

Recruiting and Posting Requirements

Responsibility for recruiting is shared with the hiring department and the Human Resources Department.

All ads (including part-time) are approved by Human Resource Department prior to placing the ad. Human Resources will assist in writing the ad, at the request of the department, with supervisor’s final approval. The department will provide an index for billing purposes.

The hiring supervisor interviews applicants and makes a selection.

It is the hiring supervisor discretion to use a committee approach. If it is decided to use a committee approach, the full-time outline is applicable.
Selection Process

If an applicant requests an accommodation, please contact the Benefits office in the HR Department. If an accommodation is necessary, the committee chair and the HR Coordinator will be notified. Committee work may be delayed depending on the time of the request. Do not deny an accommodation request without sending the applicant to the Benefits Office in HR first.

Supervisors are encouraged to hire women and/or minority applicant(s) from among the group of qualified applicants as appropriate. The hiring supervisor shall keep in mind the College’s goal to correct underutilization of minorities and/or women in the College workforce. The purpose is to help departments and the College meet their affirmative action goals.

The Hiring Supervisor will complete reference checks on the selected applicant. See the last page for list of approved questions.

Job Offer Process

Before a job offer is made, the following must be completed:

If the selected applicant has a relative currently employed, full or part-time, at the College, approval must be obtained from the appropriate Cabinet member before the background check will be entered or an offer can be extended. For details, see the Employment of Relatives Form.

The hiring supervisor notifies unsuccessful applicants they are no longer in the process. For pooled position, the applicants can remain in the pool. The hiring manager contacts HR to request the posting closed if no further candidates are needed at this time.

Reference checks are required on all positions. The hiring supervisor is responsible for completing the reference checks

New Employee Orientation

The new employee will report for work as determined by the hiring supervisor, please notify HR prior to the start date. This can be done through the PAF submission.

The supervisor should meet with the new employee within the first three days of employment to discuss their responsibilities and duties of the position.

Paperwork

Human Resources has Electronic Onboarding where most of the new employee paperwork is completed online. Please contact HR with the name of the new hire, the requisition number of the posting, a copy of the application from PARS and the New Hire PAF filled out and emailed to: hr@slcc.edu. The employee will report to the HR for the completion of the I-9 Form within three days of hire Beginnings.
