SLCC Fast Pay Program

The SLCC Fast Pay Program utilizes single-use credit cards to make payments. SLCC has partnered with Corpay, an expert in the B2B payments industry, to facilitate this program. **The goal of this program is to simplify the payment process, reduce the use of paper, and accelerate YOUR cash flow**.

Once enrolled, you will benefit from:

- **Simplified management -** detailed remittance information received via email, including a list of invoices paid

- **Accelerated payment –** cutting out mail delivery time elicits faster paid invoices

- **Reduced payment terms** – Net 15 payment terms vs. Net 30

- **Secure payments** – eliminates the need for Salt Lake Community College to maintain your banking information

- **CTX 820 file version –** capability to import payment remittance to your financial ERP

Enrollment is fast, easy and secure! If you are a new vendor, simply check the box for SLCC Fast Pay Program and enter the email address for payment information. If you are already a vendor and want to sign up, simply complete the form below and email it to ap.invoice@slcc.edu. SLCC will provide your information to Corpay, who will facilitate your enrollment. You will receive a welcome email from Corpay confirming your participation and explaining the process in greater detail.

Once invoices are approved for payment, you will receive an email or phone call from Corpay providing you with a unique MasterCard credit card number to be processed as a regular credit card payment through your existing credit card processing solution.

The SLCC Fast Pay Program is our preferred payment method. Thank you in advance for your participation and continued partnership.
