SALT LAKE COMMUNITY COLLEGE
STAFF ASSOCIATION EXECUTIVE BOARD
WEBCAST
APRIL 23, 2009

Attending:
Peggy Hoffman          Wendy Johanson
Nuffy Houtz            Sharlene Thomas
Jim Hale               Holly Perry
Mike Blain             Kathy Shipley
Georgenia Beams        Allison Glinka
Doug Thom              David Brower
Kathy Jonsson          James Foreman

Excused:
Judy Fisher            Sara Byrd

The meeting was opened by President Peggy Hoffman. She told the SAEB that Barbara Grover, as the academic liaison officer, is going to explain the new accreditation standards that will become effective in 2010. The open house will be held Friday May 1st from 9:00 a.m. to 11:00 a.m. in Room STC 219 Taylorsville Redwood campus. There will be a power point presentation showing the new standards and how they will impact the college. Doughnuts will be served.

The minutes of April 9th were approved.

Campus Reports
Jordan
The new stop light should be operational in a week to 10 days. The left hand turn will be activated also. There seems to be a disparity in food prices campus to campus. The price for the daily special at Jordan is $4.99, at Miller it is $6.49.

Meadowbrook
Nuffy said that the focus is on finding space for the Skills Center to move into their campus.

Miller
Sharlene is going to look into the difference in daily special prices. Mike is working on the shelving in the Employees Resource Center. (Is there a better name for that?)

Taylorsville Redwood
The table for the Staff Association at the Employees Benefit Fair was a big hit with lots of employees stopping by and offering their opinions on a variety of issues. The results will be shared at a later date.
South City
The architect for the expansion at South is being selected now. Next year SCC will have a table at the Benefits Fair.

Sandy
The new signs are in place at the Sandy campus.

Climate Survey
An outside entity is coming in to do the climate survey. Deans and up will receive it by e-mail before the end of the year.

Presidential Forum
All the dates are out now. May 26 Jordan, June 24 South, July 22 Meadowbrook, August 19th Miller, October 28 Sandy, November 11 Jordan and December 16 South City.

President’s Council
There is a set agenda which includes presentations. President Bioteau did open it up for questions and answers.

Budget Presentation Fiscal year 2009/2010
Institutional Marketing will send out flyers showing all 3 dates for the budget presentation. They are striving to make it interesting for staff members. Please talk it up so we have a good attendance.
Georgenia asked what other Utah institutions have done with their budget cuts. Wendy said that they were working on cutting programs but not people. David couldn’t figure out how that would work.
Peggy told the group that questions needed to be submitted before the presentation.

Faculty Association Faculty Senate-What’s Up
The Faculty Association works with the Faculty Senate and the rest of the faculty members. Gary Barnett is the President. They pay dues and most faculty members belong to the association. The Faculty Senate has representatives from different departments. The members are appointed. Curtis Barnett is the president. This is the policy making body of the faculty members.

SAEB Elections
Start looking for folks to recruit for the Staff Association Executive Board. The elections will be held in May. If they don’t care to be on the SAEB, talk them into being on the individual campus’ boards. Doug will be setting up the elections. Should there be a transition party? More on that later.

Highland and Rose Park Campus Sites
The School of Applied Technology formally known as the Skills Center will have 2 new sites located on Highland Drive and in Rose Park. Should there be representatives for the SAEB from those sites? David said they are really small, much smaller than Library Square.
Committee Reports
Communication
The printable directory is still a work in progress. Tiffany Evans will get together with the committee and share information.

Outstanding Staff Awards
The names of the nominees will be given to the President and the winners will be known on Wednesday. Some questions were brought up for next years’ committee. It was felt that a standard criteria scoring sheet would make the process more creditable. Georgania will chair the committee to look into the outstanding staff awards. Doug made the motion for all of this to happen, Peggy seconded, Dave volunteered and everybody said ok.

End of the Year Bash
Doug made a motion that Wendy chair the committee for a party in July with Sharlene seconding and once again all responded yes. This event would present the new SAEB members. It was decided that there should be a Pot Luck Party just for the 2008/2009 SAEB in the patio at South City campus. A motion was made for David to chair, Allison will help, Wendy seconded the idea and everyone said ok.

The meeting was adjourned at 10:00 a.m.

A big thanks to Miss Allison for providing the minutes for this meeting. I had to take care of those pesky students. Any mistakes are mine and not hers.
